چو کشور نباشد تن من مباد بدین بوم و بر زنده یک تن مباد
همه سر به سر تن به کشتن دهیم از آن به که کشور به دشمن دهیم

A Ray Of Sunlight

We had a ray of sunlight
On a crisp and cloudy day
It looked like a sparkling diamond
In those clouds so deep and grey
It was a welcome pause
During days of winter showers
When one was scared to blink
In case they miss those daylight hours

A lovely day of sunshine
Was nice to see once again
It left behind the weariness
Of all that god damned rain
It became a nice reminder
That spring is on its way
Oh, how it cheers my heart so much
To see blue sky, not grey

We had a ray of sunlight
But now that ray has gone
As evening sky is all afire

As a deep red sky comes on
This is nature's parting light
That my glad eyes can see
That the beauty of some heaven
Is waiting there for me....
one day shall spring come back in our poor countries...
