The terrorists attacks on Sept.11.2001 in the U.S

9/18/2016

The terrorists attacks on Sept.11.2001 in the U.S., have had a military character and are involved Services of Information of United States, Israel, Romania, France and are related to the terrorist attack in Paris, Nov. 13, 2015, in San Bernardino, U.S. Dec.2, 2015, in Brussels 22.03.2016 and are related to the terrorist attack against Metrojet of Russian Federation, Oct. 31.2015, while were developed judicial procedures of files 3298/1/2015, 3991/1/2015, 3216/2/2015 and 9/81/2016 at High Court of Justice Romania, Appeal Court Bucharest, Military Appeal Court Bucharest, the last being now in revision phase, judicial file 3342/1/2016 at High Court of Justice Romania. The human disaster of 27.12.2004 tsunami that hit Asia Indonesia was result of a nuclear attack from Georgia Pentagon's U.S. submarine, also was a similar nuclear attack against Japan on 11.03.2011. The reason of these terrorist military acts is the defend of occult, total power and dictate in the world of C.I.A. and M.O.S.S.A.D. based on historical mystification of the Church: Jesus was Messiah. The vengeance, caused by my help for justice, by sexual assault of demented and psychopaths military of Service Romanian of Information -S.R.I., against my daughter, of 12 years old.

It is very sustained the question why C.I.A. accepted to organize with MOSSAD the terrorist attacks on 11.09. 2001 in U.S., against their citizens. Why it is C.I.A. and all services of information of all ,so called,rule of law, states subordinated to MOSSAD of Israel?The answer is: the MOSSAD detains the judicial proof that Jesus was not Messiah.The acts of brute force prepared by demented psychopaths military of

S.R.I. Service Romanian Information and executed by Police of abusive decision in file 4310/314/2016, Court Suceava Romania in order to impose me the silence about the mutilation of my daughter as a result of sexual assault ordered by these monsters, military of S.R.I. My forced psychiatric hospitalization, object of file 6401/314/2016, Court Suceava. The penal file 4101/P/2016 Parquet Suceava because I broke the abusive order that interdict me the connections with my daughter.

Notes written on the admissibility of the complaint under Art. 341 of (2) penal procedure romanian code

My name is Timofti Onoriu Valentin, I am romanian citizen, I am 52 years old and ID number CNP 1640311335007.

In the book file special sections of Herve Villere on a court of war, a special section, founded in 1941 at the Court of Appeals of Paris, in Paris occupied military, one of the representatives of the Public Ministry that court, Leon Guyenot future advocate general of France, said: "We are representatives of state prosecutors. Justice Minister he may revoke at any moment. We are not irremovable . In session indictment is made on behalf of the Attorney General, in fact on behalf of the Minister of Justice. I am the son of a magistrate. My father said; The great criminals only of death penalty are scared ".

Mr military judge I does not make a plea for the death penalty but I sustained that acts of extreme gravity, falling under organized crime and terrorism criminalization, committed in coauthorship and criminal participation of military employees of the Service Romanian of Information S.R.I., , named such by Law 14/1992, facts and procedural qualities demonstrable during the criminal trial, required the most drastic punishment: sentence to life imprisonment and cancellation institution so called, S.R.I., and the recovery by the state from the guilty and convicted of any amounts expended in achieving all the crime in this case by Security before 1989 and of the S.R.I. since December 22, 1989. As a result, Mr military judge, the justice of this court Hearings military Court of Appeals is the complaint against the military Prosecutor act within the Court of Appeals military , not to prosecute due to complaint and denunciation submitted by letter Prioripost with nr.LD 7991261924 02 March 2015 presentation sent to the Office Suceava 1, the legal basis is art. 340c.p.pen., Military prosecutors of the Military Prosecutor at the Court of Appeal Military did not meet the necessary procedural act of issuing ordinance that initiate the prosecution against the facts, which were required by art. 305 cppen., In relation to the contents of the complaint and denunciation submitted by letter dated 02.03.2015 Prioripost at, and possibly after checking their powers in respect of each material facts of the case, the facts of each case territoriality and by the quality of people indicated that perpetrators in every deed because, to issue ordinance waiver of the Prosecutor competent jurisdiction under art. 58. 2 Criminal Procedure Code.

I have shown, I believe, with the means to inform available and the arguments contained in the documents in this judicial folder, the involvements in the case, which are of nature of criminal participation of US and Israel authorities and Services of Information of those states, and

military forces of these states. It therefore raises the question of what justifies interest but illegal persecution directed against me, to my exwife and, now, against my daughter and when they began to be applied to weapons state terrorism.

Let me sir judge to sum up the facts, acts and events, including military issues since that event, I believe, marked the debut: Ben Gurion's resignation on 16 June 1963, the head of the Israeli Government. In an article by Yech Weitz, published in Middle Eastern Studies, at that time, attached to this file, it is found that surprisingly act both for Israel and for the head of state cabinet members. The terms used by the author to justify this act are a crucial event entered the daily agenda of the Prime Minister of Israel.

On date 06/21/1963 is installed at the Vatican, Pope Paul VI succeeding Pope John XXII and conditions of the substitutions must be reported on the same historical event that prompted the resignation of Ben Gurion, the prime minister 16/06/1963 in the Israel, a country considered by Christians, holy.

In an religious TV emission, a Christian US preacher, few years ago, when I had a lower perspective on events, he said "Let us not believe those who say that in 1963 where opened the heavens . " The events of human nature but also those considered natural , with explanations, seem to contradict the assertion of the Christian pastor. Then, in June 1963 it was a natural considered event but exceptionally, detected by observation systems, into the sky, above Romania. Those localized events, but social and natural demonstrate an astonishing situation: God exists and can be perceived rational and experimental and He is opposing to illegal and immoral deeds and acts of socalled security services of the states.

Also that year, and you can check posteriority date against the date specified above, June 16, 1963, General Secretary of US Defense, Robert McNamara, in front of an Armed Services Committee of the US House of Representatives, raise the issue and the question of security of Europe and how the US must address this situation.

I quote: "Robert McNamara noted regarding Europe as a defense event when the first tactical weapon will be used, the world will be thrown sent there an infinite unknown". Today the answer is the existence and expansion of NATO quasigeneralized in European countries.

In an article from 1992, Illinois Congressman Paul Findley invoke American disagreements between Prime Minister of Israel and President of USA JF Kennedy through his opposition against Israel demands the carrying nuclear weapons, which are the true causes of the assassination of president of US in November 22, 1963.

I note that between 1962 and 1965 was a quiet period, no civilian victims in the Israeli Palestinian conflict, maintained in secret by state security forces led by MOSSAD.

It is the objective conclusion that Israel state began to follow, starting with 1963 other goal, secret, on a global scale. Maybe that explains the nature of the theater of the conflict called „The Six Day war”, which is, in fact, an occult understanding with Arab states ended with the aim of

focusing victory of Israel and enable decision to substantiate the technology development and industry Israeli military and funding financing.

Please allow me sir military judge, to point this brief exposition of events since 1963, with some relevant moments religious, through connections that highlights the existence of Israel a state that can not be detached, in general and principled from religious nature . And religious nature of the events he reveals in context, does not, as impossible, the connection with the exceptional natural events that can be associated with the divine will, to the extent that God exists, but this reality is not proven until the present.

Thus, consecutive events reported, in January 1964 has been a historic meeting considered, after the Great Schism of 1052 between the two Churches, Catholic and Orthodox. Meet in Jerusalem, Pope Paul VI and Patriarch Athenagoras, the meeting place chosen exclude any option that it has not been controlled by Mossad.

The two leaders of the Church, under the tutelage of Mossad, were understood in the public exposed, obviously, to promote, continued, Christianity in separate ways, but keeping rituals and status in every state and in society. But certainly, secret pacts have been established and, in the interest of Mossad: keeping the status of Israel, the state of the so called "chosen people" and the so called "holy places". Iytzak Shamir, president of Israel in 1989 was a historic year member of Mossad in 1964, the date of the meeting of the two prelates in Jerusalem.

On March 27, 1964, nine months and two weeks after the date of resignation of the Prime Minister Ben Gurion Israel, after that landmark event, but kept secret, occurs Great Alaska earthquake, with an intensity over 9 on the Richter scale. Specified time, is the period required for child birth from the date of conception plus, daring speculation, but facts can be demonstrated in judicial framework, a period that was necessary for forces of so called 'security' to identify the child. Of course, in a pejorative sense, as they wrote the history in other cases, the security forces of power, in fact they themselves holding occult power, being able to eliminate it at any time, through insidious methods, the official public representative of power, have had the immediate interest to eliminate the child, because it has been identified as a danger potential for the future existence of the state of these forces. This was the cause for which the security forces decided, in secret, to eliminate the child even in March 1964, two weeks after his birth.

History circulated outside official history, reports that Gheorghiu Dej, general secretary of the Communist Party in 1964, in fact the president of state, suffered from an incurable disease with a rapid evolution during the year 1964, triggered as a result of a visit to Moskova. And as a result of his death in 1965, it was installed by Security of state, through occult decision which was founded on the secret of this child, in the most important position in the state of Romania, a former military general, Nicolae Ceausescu.

Thus in the mid 1960s, the existence of the child in Romania, targeted, was known, in principle, in secret, of a limited number of people, the security forces and the heads of state of Romania, USA, URSS, Israel and two "heads" of Orthodox and Catholic Christian church and their small entourage. Only Ceausescu, however, and few leaders of Security of state knew the identity of the child, his family and its place where he lived. And, latter, the members of his family were

recruited by Security, under threat of murder, in order not to reveal the secret but also to execute the orders of persecution by the Securitate over the child.

On this secret, of the child targeted by state security forces, was developed so called the „independence” of Ceausescu during that time. Thus, the U.S.S.R., which assumes, by law, through the Treaty of Warsaw and in fact, through the KGB supremacy in so called socialist countries at that time, in 1968, to inquire the secrecy of Ceausescu, qualified as a state secret, in the importance, the identity of the child, devises a stratagem: creating a outbreak of independence into a socialist state and is elected the leader of Czechoslovakia, Dubcek.

This setup had another target: after the entering of the armed forces of the USSR in Prague would follow the same strong entry in Romania, the real target. Security and Ceausescu were informed and understood this scenario and had every incentive to make it public, to defend their power but, of course, the term is a pejorative term, have not communicated anything to the public, to society, to citizens about the secrecy targeted by the armed forces of the USSR.

And in order to defend the power and the secret that was based this power, Security and Ceausescu had killed a child of four years in 1968, the same age as mine, so his birth was in 1964, and the case was made public in May 1968 under the name "the murderer of Eugen child" and was found guilty and sentenced to death a tool of the Securitate, as they call it, actually, "tenderly", the Romanian Service of Information, "a secret human source of SRI"

Of course, in a pejorative sense, public does not know whether the execution sentence to death was also undertaken, as was announced in the press. And this odious process of assassination of children for purposes of individual and public threat, was taken and put into execution by „secret human sources” of the Service Romanian of Information SRI, and was murdered a child name Ionut in a park in Bucharest, in September 2013 and immediately after the murder, and provoked the dogs to devour the body of the child.

These are the themes for study, of the theory and practice of the threat, at the so called National Academy for Information. On September 19, 2013 was held the hearing in the District Court Suceava 4880/314/2013 judicial file, setting the exercise of parental authority over my daughter, Arina Gabriela Timofti and Service Romanian of Information kept me threaten and induce fear me, in order I care what to speak in public, in front of judges.

Returning, this assassination of child Eugen, born in 1964, was intended, unexposed public but known by KGB, to show to leaders of the USSR that, as to preserve their power, Security and general Ceausescu, are able to kill any child, including child targeted by security forces. And the goal of public potential act of the coming troops USSR in Romania, in August 1968, was presented to the public and operated as such, at the „great” public meeting in August 1968 held by Ceausescu at the „famous” public discours from the balcony of Central Committe of Romanian Communiste Party in Bucharest.

And a personal element, I remember when, in August 1968, and can not be another occasion, explaining such the relative exact date, my father, whom I loved then, took me in his office located opposite of the Central Market in Suceava, above the so called then, Hall of meat, he was

then chief of staff at T.A.P.L, a state company that deals with managing restaurants and confectioneries, and showed me in a trunk metal enclosed lock, firearms, rifles as I called it then.

Returning, USSR as a result of those events exposed, in 1968, and certainly others events that I do not know, has dropped the plan for the occupation of Bucharest, initiated by staging "the Prague Spring". And Dubcek leader was assassinated by Czech security forces, in 1992, that staged accident, to reduce the risk of finding out the truth.

The events of 1968, which showed him as a hero Ceausescu against so called capitalist states, had major effects for a while. All security services and leading of all European countries, but not exclusively, learned, through the secret pathways, the existence of Ceausescu's state secrets, but not the identity of the child concerned. 1968 is also the year in which dramatic events occurring in the US, substantiated military.

It is the year in which reactions take place, publicly, against the war waged by forces of the US military in Vietnam but also it is the year of the tragic deaths through assassination of social leaders Martin Luther King and Senator Robert Kennedy, candidate for the US presidency in that year, Democratic Party, brother of president John F. Kennedy, assassinated by C.I.A. and MOSSAD, due to opposition of US president to equipping Israel with nuclear weapons.

Of course, once arrived at the US presidency, Robert Kennedy had the legal means to be aware of important secrets of the CIA, including MOSSAD involvement in the assassination of his brother and he could make them public. This is, in my opinion, reasoned thus, in this case, the judiciary file 9/81/2016 at Military Court of Appeals Romania, the reasons of killings of leaders and I quote the public prosecutor Jim Garrison assertions, that represented then in these cases, in 1968, the state authorities of the US, about the link between the assassinations of JF Kennedy, Robert Kennedy and Martin Luther King . Those assertions are quoted from the book "Do you know what time the sun goes down, Mr. General", the author is V. P. Borovička.

The consequence of these politico military events, in 1968, at state and interstate levels, performed according the orchestration of the security services of the states involved, is the election of President Nixon as US president, that have promoted in the position of Secretary of State Henry Kissinger, represented the Israel's interests. One of the first visits of US President as head of state is in Romania, held between August 1 and August 3, 1969,.

In the US publication „National Archives „, of U.S., the "presidential material" NSC Files Box 702 and 1023, qualified at their date of issue "Top Secret Sensitive Eyes Only" by the US official Sonnenfeldt, published on the Internet nowadays, are included the following comments, that in personal translation is: "the president said he will meet when President Ceausescu and wants to see him alone, face to face, accompanied only by Mr. Kissinger.

The president added that our ambassador (of the USA in Romania) will not participate in this discussion. The president also said that the discussion will not be logged and nothing will "leak" of this ". Are transparented, thus, the main topic of discussion, the official but secret, of representatives of the three states involved in major interests of the state, political, military,

economic but also by reference to the subject of the discussion of the relationship between social and so called capitalist system and the so called socialist system,; Romania, USA and Israel.

There has been, of course, the problem of vision of Ceausescu over the fate of the child targeted by the security services of the states, and certainly, the question of communication in secret the data of its identification in order to monitor and control him through technological, social and psychological. And certainly the conclusion of the three, so called, state leaders was the necessity of social annihilation, with long term vision, of the child targeted by security forces in order to remove the "risk" of becoming it as human, as adult.

As they evolved over time related events, Ceausescu did not disclose the data of identification of the child, seeking to "exploit" this secret in negotiations, in order to preserve personal power and of Security, including by obtaining privileged conditions of economic and financial contracts with developing countries, even in terms of keeping the status of a member of the Warsaw Treaty Military.

In the same politico military economic and social context is relevant and the visit of French President Charles de Gaulle in Romania in 1968, in May, but also the riots of students in Paris, at the same calendar date, which now appear, from this perspective, as being organized, occult, by security services of France, which threatened him thus, the head of the French state, that will not allow that their interests to be affected by the outcome of the meeting of president de Gaulle with Ceausescu, including on the child's identity and the meaning of his birth in Romania, a country considered "socialist".

Moreover, the interest of France was a major at the time, on this subject. In the same National Archives of the United States, the same official US, Sonnenfeldt, recorded at that time, the talks of President de Gaulle with representatives of the US authorities with the subject the visit of President Nixon in Romania in 1969, immediately after its unfolding.

That policy of Ceausescu and of the Securitate to keep the secret state of child's identity, targeted by security forces of the states, as the element of advantage in economic negotiations with developed countries, including the takeover of technology industries, but also in negotiations with financial institutions had results several years after 1968, but they began to fail since 1972, developed Western countries adopting another solution to find Ceausescu's secret: economic pressure.

During late 1972 it is approximately the outbreak of the food crisis in Romania. It is also the period when he decided to apply the measures of personality cult, understanding that an eventual revealing of the secrecy would be the beginning of the end of his statute of head of state. Becomes explainable, by real causes, the Ceausescu's visit to the Vatican and meeting with Pope Paul VI, who knew, as a principle, the secret Ceausescu, from the date of the meeting with the patriarch Greek, Athenagoras's in Jerusalem, in January 1964: the baby conceived in June 1963 that caused the serious and the monstrous Israeli decision to equip itself with nuclear weapons state with justification of defense the state and the people.

The existence of this child is constituted as a danger to the false status of the people of Israel as the "chosen people" in consideration of an historical mystifications: that Jesus was the Messiah. In public expression of meanings of meeting in 1973, Ceausescu's visit to the Vatican was meant to regulate the situation of properties roman catholic in Romania, but the events recounted above, accompanied by explanations and those reported further, creates a presumption that can be confirmed by eyewitnesses or persons that detains public secret in the state that have experienced since then or successors representatives of Securitate and of the papacy and the security services of the states involved: Ceausescu went to the Vatican with the proposal of physical elimination of the child, until then only targeted by persecution, in exchange for his support and of security and maintaining the so called socialist regime in Romania by economically developed countries, including through economic means. This odious plan did not work, however. In Romania, from the perspective of 1973 year, no longer been no earthquake after 1959. In August 1973, however, was registered a relatively high intensity earthquake in Romania. In the same logic, after the big earthquake in Alaska in March 1964 which aimed to prevent the first attempt of the elimination of the child, due to the earthquake in August 1973 was prevented the new attack planned by Ceausescu and Security.

Israel state, being aware about that plane odious of an assassination of the child in Romania, including targeted by MOSSAD as a potential threat to the state by undermining its foundations of religious nature, reacted immediately after the failure and the abandonment of the elimination attempt. He planned and directed by the CIA , publicly recognized, Yom Kippur War, meant to glorify again, Israel's military power. Anwar el Sadat, then President of Egypt, which has involved the armed forces in the setup, was assassinated later in 1981 by own security forces during that public gatherings in Cairo, to be silenced definitively, and as a public gesture of threat of representatives of all Arab states involved in the setup.

That same year, 1973 is the triggering of the oil crisis in Arab countries, and may be related to the involvement of Israel by Mossad, in the planned attempt of elimination that targeted the child in Romania. Subsequent decisions of Ceausescu after the earthquake of 1973 which confirmed for the second time, the religious nature foundation of the secrets are revealed by his acts and deeds: strengthening personal power by establishing the state position of President of Romania, which has assumed, the child's identity secrecy targeted by security forces and continuing persecution in the most insidious forms in and on them i will come back, relatively briefly, indicating the persons involved.

In 1975 the security conference that takes place in Helsinki, leaders of the countries involved, seeking a new status quo, against the political and military consequences of the new challenges of a religious nature. Ceausescu marked invited at the Conference on the basis of this secret has obtained the principle of "noninterference in the internal affairs of another state," which him invoked often, thinking that he can manage internally the social annihilation of the child targeted by the security forces then at pre adolescent age.

I do not known all causes and multiple determinations but is acceptable the hypothese of intervention, through diplomatic channel or through security services or military, the new political power in the USA, Jimmy Carter, a devout Christian practitioner, and the new leadership of the CIA, at the beginning of 1977, have promised Ceausescu an economic support,

in exchange of the odious fact of assassination of the adolescent concerned. Thus Ceausescu and the Securitate decided to risk and to plan and execute a new plan to physical eliminate the adolescent concerned, but relieving from General Ceausecu any liability for assassination by Security through insidiously means, a teenager in Romania and the possible consequences of an earthquake of intensity of the earthquake in August 1973.

General Ceausescu, President of Romania at the time, proved his cowardice and ugliness of character, capable of any indignity to preserve his power and the power of Securitate. The teenager confirmed, without having this intention, because it didn;t knew that is targeted by security, through a general attitude conscientious, fair, modest, at school and in the group of acquaintances, without excelling in a particular field, but getting good results , the assumptions of the security services and had to be eliminate. Ceausescu has planned an official visit over three weeks in March 1977 in several countries in Africa, while the odious plan had to be implemented. Only, the natural event estimated to happen then, in 1977, by security forces, the earthquake, occurred, but the intensity was violence, over 7 degree on the Richter scale and the effects were tragic, have produced over 1000 dead and many buildings have collapsed, the most affected localities where Bucharest Zimnicea.

The Security plan, the assassination of the teenager targeted, has been abandoned and has stopped the visit abroad of Ceausescu and he had to return. And one of the first decision taken, then, in March 1977, it was to replace Patriarch of so called „Romanian Orthodox Church”, Justinian Marina, died, as official information, on 26 March 1977 , with Iustin Moisescu, in June 1977, decision which founded more the presumption, assumed conscious, of the religious character of the cause of the earthquake in 4 March 1977 in Romania, but not exposed to the public and considered a state secret, even more that Romania, a so called „socialist state” was considered, officially, atheist.

The earthquake confirmed, again, to security forces and state leaders knowingly, the reality of all rational evaluation results: the manifestation of God's will through natural phenomena, perceptible through direct observation. This extraordinary fact must not, at any price, made public because it would overturn false values, but assumed as fundamental by billion people: Christianity, faith in the Quran, Oriental Asian religious spirituality.

God can be perceived directly, empirical and rational and Jesus was not resurrected, was not raised and is not the Messiah, awaited by the entire humanity and the "Saving" is not in heaven but here on Earth. This fundamental truth for humanity, must not, in the conception of security forces, made public because it is estimated that people's reactions will become uncontrollable and certainly their occult power will be lost forever and the criminalization and punishment of the perpetrators of the horrors perpetrated by services of security of the states will be drastic, extreme, here on earth and not in hell.

The capitalist system itself, the one that ensures the relative prosperity of the citizens was endangered, the association of Divinity with Romania, a country considered socialist, through that baby born in March 1964, in March 1977 at the age of early adolescence, being considered a threat to national security of every developed capitalist state.

Violent reaction of security agencies of the states with major involvement in the case occurred immediately about history. Mossad and German security services watched, by reference to the significance of the facts narrated, to produce an impact on public opinion, staging a hostage situation that took into account, from the beginning, the death of two people: Hanns Martin Schleyer, president Confederation of German employers' associations and a leader, as a terrorist, who was in prison, whose murder in prison by security forces was publicly declared suicide after classical method, became awkward, but tragic.

A Lufthansa plane was hijacked by a set up, with 91 people on board, officially being indicating the identity of the terrorists, part of framed: the Palestinians. And the staging have included Palestinians but the origins and causes of this staging are, in my opinion, the above. The staging have predicted and special forces intervention, called GSG9, at the airport in Mogadishu, at the order of Helmut Schmidt, German Chancellor accomplice to setup, intervention that freed all the hostages, without victims.

And that exchange of hostages and prisoners, part of framed, never took place, revealing, falsely, the strength of character of the German leader. The despicable and abject purpose, as any purpose of any staged of security forces, without exception, had at least two objectives: 1. change the public attitude toward considered, by a questionable evaluation, the most prevalent, an alleged anti Semitic sentiment in public opinion German citizens, reminiscent of the second world war, by moving the resentment to Palestinian cause, being targeted the permanent state of belligerence between the two social entities: Palestinian and Israeli maintained by security forces of the state. 2. The threat of generalized social entities type union leaders as symbolic elements of options and socialist tendencies.

The situation of agitation of security services of states, so called, capitalist, developed, is amplified at the beginning of 1978, the new social perspective, of the nature religious, confirmed by the earthquake in Romania in 1977 threatened status, occult, of the absolute power exercised by the security services of the states. Aldo Moro case by gravity and the real causes and perpetrators of the assassination, and through its significance, confirms previous assertions.

In 2005 Giovanni Gallion, former deputy secretary of the Christian Democratic Party, said in a discussion with Aldo Moro, that he said he knew about the infiltration in the organization Brigatte Rossi of the agents of agencies of information of Israel and the US. In Aldo Moro Murder Case book, by Richard Drake, 1995, are included comments: Pieczenik US negotiator highlighting the agencies of information involvement in the case, including of the Vatican and Propaganda due.

He says during the crisis, "it is possible to sacrifice the hostage to preserve the stability of the Italian" The truth must not to be said. And the cause of that terrorist act of the services of information was to block the attempt of Aldo Moro to bring the Communist Party to power in Italy. It was the fear of the security services against the possible change of social mentality and as such terrorist act of murder of the political leader of the Italian Communist had and the significance of the threat against every leading leftist party in capitalist states with traditions of this nature, that security services of state will not accept this paradigm shift, that they could not control and preventing except through violent acts of terrorism.

On this background of violence, pressure on Ceausescu to communicate the secret of adolescent identity of 14 years targeted by the security services of several countries, increases. In May 1978 the US Ceausescu makes official visit at the invitation of Jimmy Carter and motivations, unexposed public, was his secret since his appointment, at the decision of Security. Ceausescu intractable but Ioan Mihai Pacepa, general in Directorate of external services of information, collaborator of Ceausescu, accompanied him on that visit, and he knows his secret, reports in his book "Red Horizons" that, at the return date from US, he splits from group for some time, and he reassociate to the group in the last moment. It was the occasion to contact the CIA to verify its status sure in US if it decides to divulge the secret. In June 1978, he is sent on a mission in Germany, most likely to prepare Ceausescu's visit and meeting with Chancellor Helmut Schmidt. But General Pacepa took another decision that did not communicate to anyone in Romania.

In his book published later in 1987, in the USA, "Red Horizon", general Pacepa is putting his thoughts on that plane, in that flight Bucharest to Frankfurt: „his daughter and "Christ crucified" The General carried the secret that initiate and forge the power of Ceausescu. After landing at Frankfurt Airport, General Pacepa seek asylum in USA, which he obtains, being transported by military plane. General Pacepa disclosed to the, so called Central Intelligence Agency of the USA – CIA, the identity and location data of the child born in Romania in March 1964, that have put the security services of the states face to face with the truth: God exists, is manifested by natural phenomena, has access to our consciousness, can be perceived rational and by experimental means, and opposes to the facts of extreme gravity of the state security services, committed against humanity.

Ceausescu's reaction was of extreme anger and took the decision to change, quasi total, the system of Securitate. In same year, after the asylum of Pacepa, Ceausescu made visits, invited, in the Federal Republic of Germany, meeting with Helmut Schmidt, in the UK, meeting with queen Elizabeth II, and in the USSR, meeting Leonid Brezhnev in an unconventional place, in Crimea. Ceausescu question is whether, faced with "Pacepa's betrayal," have revealed that state secret himself to other leaders who met in 1978. He face the risk that CIA to use his secret, exclusively and only in its own interest, by making a coalition of military and security forces against Ceausescu, that was hold a secret that it was not a secret anymore and that hold an information that no longer do any good, but that could only bring to him detriment.

As such, I believe that Ceausescu have communicate himself to those leaders who met with, the identification and location of the child born in 1964 in Romania, and that have then, in 1978, 14 years. The courteous way, giving him the full honors of the state, which was received by heads of states specified, support this hypothesis. These important leaders of several large countries had, in turn, no interest to destabilize themselves the social situation of their countries, telling the truth.

Furthermore, the information could be checked and confirmed by specific studies of natural phenomena, by using advanced technological means. Decision of CIA, Mossad and of other state security services concerned was quick: the person that the security services of so called capitalist state thought to be a potential threat to its own occult power, can destabilize the status quo socially, supported by heavy borrowing and speculative financial operations, had annihilated.

This potential danger was supported in turn by the will of God, and came, had social origins in a communist state and was considered a major risk, being in discussion a potential specific intellectual leftist formation, thus expressing things very simple.

The developed states, by heads of state and services of information, began to take protective measures, including military but also economic, financial, and psychosocial. Thus, has followed the reactions of services of information of states, faces by the reality of Ceausecu; s secret: France "La Grande Arche de la Défense", USSR war in Afghanistan began in 1979, Iran Iraq war beginning in 1980, US CIA staging of taking hostages at the US embassy in Tehran in 1979, followed by the installation of an actor as president, Ronald Regan, who was able to execute compelling public role established step by step CIA.

CIA and Mossad plan was the result of one of the most important decisions of the last century: the abolition of so called socialist system in Europe. The plan included all the political, military, social, religious, economic, psychological, informational, educational, trade union domains but, also, all infractional methods available: murder, terrorist attacks, crimes against humanity, the illicit financial operations of large scale , the unfair competition and manipulation of secrets, including economic and military secrets, the threat individually and globally.

The plan had and the major advantage of very low living standards of so called socialist system and total seclusion, lack of real and honest communication, the false values. The major differences between two systems were not, however, in my opinion, the result of lower capitalization of state property but the paternalistic mentality and the result of not assuming, in fact, humanistic values and the rule of law. Regarding the „speaking, public, the truth”, human value without which there can not be found a state law, is not any difference between the two systems, capitalist and socialist communist, in fact, both, occult and insidious dictatorship of the so called information services.

The occult power exercise by paramilitary security services in every state excludes public utterance of the truth, but this reality, known more and more at all social levels, tends to push outside the limits of public tolerance.

Thus, the first step was the religious approach. CIA and Mossad secretly installing a pope of the Catholic Church from the socialist system. That is why has been the election of Pope John Paul II, of Polish origin, but after at least an assassination committed by the security services subordinate to the CIA and Mossad, at Vatican, over his predecessor, Pope John Paul I, whose pontificate was ended abruptly after a period of 33 days, with its suspicious death, how it was publicly announced.

This proves the profound immorality of the former Pope John Paul II, who knew his predecessor's assassination and its reasons and, hnews the reasons of his enthronement in pontifical seat; the mystification to identify Jesus as the Messiah by the services of information of so called capitalist states in order to sustain, social and psychological, to remove the political regimes in so called socialist and communist states, through the Church. And in order to have a

correspondence in real life, in everyday activity, it was imposed in Poland, a country that was beginning of tear crime scene, by security services, the union leader Lech Walesa.

Having established a base of social mass influence, the next step of the CIA and Mossad in fulfilling this objective occult, was the attack was against the leader of opposed part: the service of information of the USSR, the dreaded KGB. Of course there were many considerations thrown in the „game”, most of which are unknown, but it is almost certain that the inheritances from numerous top Communist Party of the USSR, in the early 80s, is the result of the assassinations.

Decisive step is the installation of Mikhail Gorbachev in the general secretary of the Communist Party of the USSR, beginning with the speech dated 11.03.1985, the same calendar date. It were reached, as was planned by security services, the decisive events of 1989, the removal by force and murder of Ceausescu, the main target of these events, because it was considered the only state leader who had evidence on the real causes of destructuring system socialist and was willing to use them through public communication, to preserve his power.

It is concerned that continuous references of Ceausescu, during that masquerades process in which he was sentenced to death by a military court in Targoviste Military Unit building, on 25.12.1989, about his liability and his speech in front of the Grand National Assembly of Romania . It was the clear sign that the true masters of the world, the CIA and Mossad, paramilitary units of organized crime and terrorism, and the security services of the states, all, without exception, are fully convinced that Jesus was not the Messiah and that the symbol of his birth day it is a historical falsification, which know, in secret, all priests Christians, regardless of confesion, masking the truth in what they call the sacraments secrets of the Church.

It are reveals so the real reasons for sending, by Ceausescu, the, so called, patriarch of Romanian Orthodox Church, Teoctist Arapasu in January 1989, at the Vatican for a meeting with Pope John Paul. It was one of the last chances to negotiate to keep the power by Ceausescu, the guarantees to support the Church and the falseness of all its rituals, so called Christian. This subterfuge of General Ceausescu, the n th, the maintenance in ignorance and oppressing all honest citizens of a state, not kept as not kept the last attempt to negotiate with the ruthless masters of the world in the space theater of CIA, the enemy invented in the Arab world: Iran, where Ceausescu traveled in 15 to 17 December 1989, to not be put into liability about military killings in December 1989 at Timisoara.

It was the same coward stratagem applied in March 1977 that was interrupted by the devastating earthquake. These are truths that Security, subordinated starting with 1989 to new oppressors, cruel and occult masters of the world, the CIA and Mossad, want to hide from public knowledge by installing illegal its executants Ion Iliescu and Petre Roman at the head of a state body through C.F.S.N., by killing the military judge of the court which sentenced Ceausescu, Gica Popa, to stop, forever, to comment on the truth and taking over the real power in the state, the occult, criminal organisation Service Romanian of Information S.R.I., after staging the violence events in Targu Mures, in March 1990, staging, also, embarrassing event „Berevoiesti,” real documents considered secrets of states being well storage, producing terrorist act of the crash of civil airplane Bucharest Brussels, in order to warn the security services of other states

that S.R.I. „assumes” the persecutions and annihilation of the person in Romania, person targeted since his birth year, 1964. In 1989, at the date of these events conducted, occult, by the CIA and Mossad to takeover of power in so called socialist countries at that time, President Iitzak Shamir was Israel's former Mossad agent in 1964 and US President George Bush senior was former CIA director until March 1977.

The criminal trial may start as I have argued, from the adoption by the military court of the decision provided by Article 341 of the. 6 letter b) c.p.pen, in its most drastic, triggering triggering criminal proceedings, making the obligation essential to establish the truth and the criminalization of perpetrators, followed by their conviction, the appeal court of cooperation court in criminal matters

1. criminalization legally perpetrators military terrorist attacks on 11.09.2001 in

U.S .. I filed Interior Ministry statement 31 541 / 10.29.2015, attached the evident situation, with a degree of satisfiability to certainty, in custody of authorities in U.S. , The Romanian citizen Mihai Christodorescu, former professor of computer science at the University of Wisconsin, USA, in criminal with the author's criminal attacks that has taken control by satellites, Boeing, civil, turning them into weapons, and pointing them up by two towers "Twin" in New York on 11.09.2001, Shai Rubin, a citizen of Israel, a professor at the same university in 2001, whose CV is included in the notes under Article 244 of (2) civil procedure code in the file 1653/2/2015. Brought before the Court of Appeal, in case 3216/2/2015, and appended to this file. It reveals, essentially, and specific training military I.D.F., author criminal acts incriminated infraction against humanity

1967 is the year SIX DAY WAR, and the starting point of reform industry specific: Israel's Aerorspace and Defence Industry. Private companies in Israel, supported by state orders were imposed on the market for military equipment, collaborating including Boeing, major producer both on the commercial aviation, and market warplanes F16 Fighting Falcon and C130 Hercules but recorded it as the largest manufacturer of satellites in the world. Israel Air Force was built Israel Aerospace Industry, which manufactures both planes especially dedicated support for satellites, aircraft type business but also socalled unmanned aerial systems. Industry specific Israeli military supply components and subsystems for the largest manufacturers of aircraft and aircraft engines: Boeing, Lockheed Martin, Gulfstream, Pratt & Whitney, General Electric. Profile companies Israel provides development services, engineering including, simulation, testing well advanced systems to control unmanned ground vehicles, aircraft and nave being judged 'most advanced unmanned aerial ground and naval system ". Israel is one of seven states that have in use satellites and their arrogance, I say a selfishness and pride, state, anachronistic circumscribed by socalled concept of "secret economic" and "national security" merit technical capability of develop, produce, and operate their own satellites, including communications, scientific data but also monitoring and holding, now, the new satellites in operation.

Other companies also provide parts, equipment and systems are a highlight by reference and scope of this argumentation: "Elbit systems", producing Unmanned Aerial Vehicles and surveillance systems intelligence and reconnaissance ISR Intelligence Surveillance and Reconnaissance company " Galil software "and the company" Bedek Aviation Group "and" RAFAEL " armament Development Authority. In this area technological and human resources that the military can restore plan, preparation and execution of the order military, terrorist attacks on 11.09.2001 took the upper level of the military leadership, armedM.O.S.S.A.D., C.I.A., I.D.F., and Pentagon.

It is in a logic systems that such a military operation complex and considered "top secret" while publicly they were for "bullshit" was inevitably exposed knowledge at different levels of the Pentagon and not all employees structure of the US military had the mentality acceptance of such act of extreme violence against civilians. As a result, the plan assassin watched infusing leadership Pentagon prominent members lobby state of Israel, involvement Pentagon executing terrorist action causing civilian casualties and subsequently., Subjecting employees Pentagon an act of threatening extreme. Hierarchical, criminal participation Pentagon terrorist act from 11.09.2001, which, once revealed and probably would affect major negative to destructure, all human structure of the Pentagon and the threat of engineering, physics, showing them the vulnerability are three acts premeditated to impose silence. As a result, this explains the collapse of the third civilian plane Boeing without hitting any target in that it was the target of a missile attack Air Force. And general threats to employees Pentagon was committed by the same attack software satellite taking over the control of the fourth Boeing and conducting his it to the Pentagon . Pentagon leaders subordinated to Israel at that time, the stake criminal terrorist acts from 11.09.2001 are Richard Perle, chairman of the Pentagon Defence Douglas Feith, secretary of defence and Policy adviser at the Pentagon, Edward Luttwak, a member of National Security, Dov Zakheim, Pentagon comptroller director financial .Are also instigators and coordinators of the terrorist attacks of 11.09.2001: Ephraim Halevi, director of MOSSAD 1998 2002 general Dan Haluza, commander of the Air Force from 2000 to 2004, Michael Herzog, planning director IDF, 19982001 general Shaul Mofaz, chief of general staff IDF 1998 to 2002. And these acts were planned and executed by criminal participation of Prime Minister of Israel Ariel Sharon.

2. counsel informed the Court that the objective supremacy of military power occult, so immoral and illegal, the services of information of Israel and the US expressed, in connection with this case, and I expose partly presumption by two nuclear attacks on submarines guided missiles, so called SSGN guided missile submarines. Disasters human and nature of the data of December 27, 2004 and March 11, 2011 are the result of nuclear attack submarines in the Pacific. The recent appointment of Admiral John W ., Tammien as commander of the Group of Submarine no. 9 based Kitsap, at a time when, including communications my email on this serious situations a case with international implications, had the potential to cause the perpetrators of the attacks to take preventive measures of defense against a possible prosecutions judicial, leads to the necessity of investigating the act take command of the submarine USS Georgia by commander John W. Tammien the commander Christopher Ratliff on 11.08.2003. Starting from 30.10.2003 the submarine USS Georgia is included in class submarines that were to undergo conversion Technical and be included in the category of Strategic Weapons Facility Pacific SWFPAC. In the same period an event occurs skilled in the area of events the nature of

accidents military rocket type Trident, the submarine has a trajectory wrong and hit a target civil. The incident is of a kind "traditional" intelligence, in this case the CIA following the removal of a commander who was not recruited for the next military mission of utmost seriousness: a nuclear attack in order threat all the authorities authorities include military , services of information have the ability to make use of the most dangerous weapons in order to keep power occult. Thus the Washington Post, is published on 11.03.2004, the date of the terrorist attacks in Madrid, an article about the incident dated 07.11.2003 which involved a submarine and, as a result, commander SWFPAC is replaced on 24.11 2004. on 20 December 2004 commander JW Tammen submarine USS Georgia having the capacity to launch nuclear missiles, encoded SSBN728, seven days before launching the attack that hit in particular, and serious, Indonesia and Banda Aceh, it is replaced by commander Rodney E Hutton. On 11.08. 2004 was born my daughter Arina Gabriel Timofti and my exwife, Doinita Timofti, following an in vitro performed at the clinic Giulesti in Bucharest in February 2004, according to which I referred earlier. The result Genetically was not at chased by the services of information have compelled those doctors outstanding act of genetic manipulation and, as a result, on 27.12.2004, my daughter was baptized at the Church of Saint George of Suceava, then believing in these rituals socalled "Christian". In my opinion, based on the above, the disaster tsunami 27.12.2004 Pacific was the result of this nuclear attack caused by a nuclear missile launched from the submarine Georgia SSBN 728, under the command of Rodney E Hutton, the attack was committed in order assassinate the leaders of the Pentagon at the time, infiltrated the State of Israel, and executed as a result of acts occult and illegal MOSSAD, IDF, CIA And Pentagon. The new commander of the Group of submarines 9 Admiral JW Tammen, Bangor Washington, which was part submarine Georgia, of which launched nuclear attack has certainly information but also involvement in this case serious attack nuclear war and must testify before the International criminal Court.
