چو کشور نپاشد تن من مباد      بدین بوم و بر زنده یک تن مباد  
همه سر به سر تن به کشتن دهیم      از آن به که کشور به دشمن دهیم

## US virus

US virus...  
aware combined creation  
pneumonia -Cholera  
a killer virus...  
and parallel to its creation  
vaccine was made plus medication  
not in mass production  
enough... for elites  
and some locations

violent killing although planned ...  
with no cure ...and no treatment  
long period... incubation  
exposed masses to infection  
easy and... hidden transfer  
vast contamination  
without any salvation

devil's dream...  
vanish millions ...  
sudden reduction

of the world population

a silent war ...with no alarm  
against masses

although Trump is a Fascist  
but a puppet for Zionists  
disregarding all agreements  
to take this job...he promised  
to break the rules  
ban agreement ...of bioweapons  
1925 and 1975 ...was ignored  
like all the others

behind Trumps dirty grin  
virus ...was spread in the Wuhan  
and rest of the world ... in three variations  
Today... Trump pays the victims  
in USA ...Compensation  
planned attack for all the nations  
attacks also ...US nation  
now ... down the drain  
goes his luck  
no votes for him in election

surely there is ...in USA  
made together with the virus  
its ...vaccine and medication  
but not for all  
for ... Zionist- imperialists  
and their desired ...locations  
a silent war...with no alarm  
against the masses  
is palpating in all the world...

great storms of poverty  
are in the way  
hunger ...famines  
security total ruin

as long as the world  
is dominated ...by Zionists  
forget peace  
piss at goal of imperialists.
