When Zelensky generously expresses we will fight till the last person, why does not he take a weapon and join the men in front!?

Why doesn't he ask the men who are fighting, if they all want to die till the last person?

Why is the USA misusing Ukrainian men as its own proxy army?

Why doesn't the USA stop its greed and therefore is making misery?

Why doesn't the world stand against US mischievous?

Down with the USA
Peace for Ukraine-Russia
