German cheek

Nothing can change the history

and nothing...

more expressive than the facts

Shame... if any

precious reflection...

of melting ...savage greed and flattery

to brighten ...

uprising path of humanity

please...print the Palestine map...

with all the stolen ...and the occupied parts

evidence ...for millions killed

evidence for the Zionist greed

evidence for...

their supporters' boldness and cheek

top request of today

the judgment of all humans

to decide... and stop for good

this ongoing...75-year-old

so huge ...this colonial racist crime

to establish Israel!

the excuse...

was the holocaust

the question is...

Germans made the crime!

Why Palestinians... must pay for it?

humanity has fade away

no pain for justice!

running tears ...following the found

choking cries

with no more sound

and yet...

astonishing ...is the Germans' cheek

Zionist flag...

on Brandenburg gate

furthermore...putting Israeli flag

to blow in between

the EU and the German's flag!

the US colony...
the traitor race!
never can wipe ...
the stinking slime
of the Holocaust
from its cheeky face!

and today
those Nazis' sons
ignoring Palestinians' rights
with no national ... or human prides
flattering Zionists... impudently
so innocent!
forgetting past!
different names and different flags
but all racists...
in the Nazi-Zionists drags

Brandenburg ...
and the Nazis Past!
loyalty...
all are kissing the Zionist ASS
