Stand in solidarity with the Palestinians! Condemn the occupation of Palestine by the Zionists and turning it into a center of militancy!

Star (CPI)(ML), 8 October 2023

The highly coordinated and carefully planned multi-pronged attack by Hamas on Israeli military installations and cities on October^v Yom Kippur) Jewish religious day , (exactly on the ۵۰th anniversary of the Yom Kippur War on October , ۶۱۹۷۳ continues the recent escalation of systematic raids by the Israeli police and Attacks on Palestinians, which are carried out almost daily and resulted in the death of more than ۲۰۰ Palestinians, including the police attack in April on the Al-Aqsa Mosque in Jerusalem, the July attack in the city of Jenin in the West Bank ,etc .Undoubtedly, this is the biggest act of revenge by Hamas in the last ۵۰ years, which is carried out in a situation where factors such as the boiling of dissatisfaction, anger and frustration of the Palestinians against the Zionists, the complete absence of any peace process from Israel's close allies and global actors such as the United States and the European Union who are only interested in using the Zionist regime based on their geopolitical interests in West Asia, and the unprecedented domestic opposition to the neo-fascist Netanyahu regime, its inherent vulnerabilities in civil and military management, including intelligence failures, even when parties The opposition is united on the escalation of aggression against the Palestinian people.

At a time when the Israeli regime, with the blessing of America, its imperialist master, has started talking about the normalization of political relations with the " Arab world , " including Saudi Arabia, which, if necessary, includes granting concessions to the Palestinians, Hamas's attack dashed such hopes. for the " new Middle East " has been destroyed by the Western powers . It has also destroyed the hope of the Biden

administration to reset the geopolitical dynamics of West Asia against the influence of imperialist China in the region . At the same time, so far, the number of casualties from the attacks of the Zionist regime on several Palestinian places and inside the Gaza Strip has reached hundreds, and many more casualties are yet to be reported . And more horrors await in the coming days . The liberation of the Palestinian nation, one of the most persecuted and oppressed peoples in the world in the post-war neo-colonial order, from the grip of Zionism and imperialism, is becoming more rebellious and will be more difficult at least in the near future.

Meanwhile, the Western imperialist bloc including the United States and the European Union and their allies have, as usual, come forward and unequivocally condemn the " terrorist attacks " carried out by Hamas, without even mentioning Israel's increasing attacks on Palestinians. And at the same time, they justify the Zionist aggression under the cover of the right of self-defense, but they ignore this right for the Palestinians . Following that, the " Narendra Modi " regime , completely deviating from India's former solidarity with the Palestinians and as a sign of the increasing integration of the " Saffrons " with the Zionists, expressed its solidarity with Israel without saying anything about the Palestinian issue or intensifying Israel's attacks on the Palestinians in Jerusalem and the West Bank announced . In a public way, Prime Minister Modi , who has no qualms about expressing solidarity with Israel , will have a chance to comment on the long-running riots in Manipur that have killed hundreds of people and displaced tens of thousands since May ۲۰۲۳ not found Meanwhile, demonstrations in solidarity with the Palestinians have been reported from many Middle Eastern countries and even in Berlin.

In this critical moment of the Palestinian people " ,Communist Party of India) Marxist-Leninist (Red Star) " CPI (ML ((stands in solidarity with the oppressed Palestinians in support of the spirit of proletarian internationalism . The time has come for the working class and all the oppressed people of the world to rise up against imperialism and Zionism and stand united in solidarity with the Palestinians in the struggle for their freedom.
