Honorable, Mr. Guterres,

As you are aware, in the past four weeks, the Israeli military has been bombarding innocent civilians in hospitals, churches, mosques and schools in Gaza in an unprecedented way-- this clearly amounts to war crimes. Also, Gaza population has been forced to relocate.

We, as a group of Iranian civil society activists, appeal to you to do your utmost to bring this human catastrophe to an end as soon as possible.

Also, we respectfully request that you as the UNSG, encourage related organizations to provide humanitarian assistance such as food, water, and medicine to the vulnerable people of Gaza urgently.

Wehopethatyourtermasthe UN Secretary General wouldcreate a contextforlastingpeace in the region.
