Declaration No: 52

We Condemn the Idea of Disintegration of Afghanistan

Based on the spirit of article one of its constitution, the Champaign and anti-colonial portal of “Free Afghanistan” strongly condemns the idea of disintegration of our beloved and blessed country, “Afghanistan” introduced by any group and from any side. The portal of “Free Afghanistan” considers this move a grand colonial and imperialistic conspiracy to disintegrate this sacred land.

Anti-Afghanistan conspiracy had been designed at the national, regional and international levels:

- At national level, Setamis, Shurai Nezaris, Khrusanians, Jamiatis, Qalkis, Parchamis, the agents of imperialism and some newspapers and websites tirelessly try, based on order from their masters, to wipe out the national asset and identity of Afghanistan in its foundation.
- At the regional level, Pakistan, Iran, India and Russia, through the use of their local functionaries, try to annihilate Afghanistan and give every piece of it to their local agents and slaves.
- At the international level, the United States, England and some pro US members of NATO plan, with specific strategic, political and economic considerations, to break up Afghanistan. The use of local slaves, as we saw during the days of US invasion of Afghanistan, can be the best means for the implementation of the colonial aspiration of world imperialism.

The portal of “Free Afghanistan” for the sake of the preservation of the territorial integrity of Afghanistan resolutely continues its struggle against voracious invaders, traitors and separatists and shows no mercy to any power, traitor and anti Afghanistan elements.
