## District police chief among 3 killed in Uruzgan

April 11, 2013

A district police chief and two other policemen were killed in a roadside bombing in central Uruzgan province, an official said on Thursday.

Qeyamuddin, the Chori district police chief, was travelling in the Kamisan area where their vehicle struck a landmine late on Wednesday, police spokesperson Farid Ayal told Pajhwok Afghan News.

The officials were transferring police salaries to the district headquarters when they came under attack. Police have launched an investigation, but no arrest could be made so far in connection with the bombing.
