Ata Mohammad Noor warns against the collapse of unity government

November 9, 2014

The acting governor of northern Balkh province of Afghanistan has warned that the national unity government would collapse if there was any violation with the terms of the agreement reached between President Ghani and Chief Executive Officer Dr. Abdullah Abdullah.

Speaking during the swearing-in ceremony of the new provincial council members, Noor called on President Ghani and CEO Abdullah to remain committed regarding their promises.

He insisted that practical steps should be taken on each and every article of the agreement which was signed by the two leaders.

Noor warned regarding the violation of the agreement and said such violation could even cost the national unity in the country.

According to Noor, the unity government would guarantee the future of Afghanistan if practical steps were taken on each and every article of the agreement.

Noor is the leader of Jamiat-a-Islami party of Afghanistan and an influential political figure who was a close ally of Dr. Abdullah Abdullah during the presidential elections.
