## ISIL leader trained by CIA, Mossad to overthrow Assad: Analyst

11/29/2014

**The United States and Israel are run by “Zionist psychopaths” who are recruiting and training “mind-controlled killers” to “set the Middle East on fire,” says a political activist in Wyoming.**

The leader of ISIL, Abu Bakr al-Baghdadi, “is an Israeli actor trained by both CIA and Mossad” to lead a terrorist organization that “only attacks Muslims, not the US or Israel,” said J Bruce Campbell, a member of the American Defense Party, a non-voting political action party dedicated to ending the Zionist power structure in the US.

“The US and Israeli governments are run by Frankenstein psychopaths, Zionist psychopaths” seeking to overthrow Syrian President Bashar al-Assad “who will not obey them,” Campbell told Press TV on Saturday.

A new report says the US military will conduct psychological evaluations of militants in Syria as part of a training program to prepare them to battle both the ISIL terrorist organization and the Syrian government.

President Barack Obama has authorized the Pentagon and the CIA to begin arming and training militants in a coordinated effort with Syria’s regional neighbors Turkey, Jordan and Saudi Arabia.

The new screening process, which also includes biometrics checks and stress tests, goes beyond the measures the United States usually takes to vet foreign soldiers, according to The Washington Post.

The CIA wants to recruit “dependable, mind-controlled killers, a new version of al-Qaeda, hence the psychological evaluations of their programmed Frankenstein monsters,” Campbell said.
