چو کشور نپاشد تن من مباد بدین بوم و بر زنده یک تن مباد
همه سر به سر تن به کشتن دهیم از آن به که کشور به دشمن دهیم

Living has died

The eyes of the universe are screaming for life...
Life is here but without any breath...
Our breathes are being followed by governmental orders
As we live every day is a fear...
Like a dark shadow behind us...
Unknown sounds...
Of echoing screams of the nation...
People feeling tired of this earth...
But at the same time cannot sleep...
As after every sleep there is a waken again...
This world has turned in to a prison...
Nobody can die here and nobody can live peacefully...
Everybody in this world say one thing 'death to imperialism'
Under the name of this... living has finished...
Humanity has died... and revenge has a raised...
If this is democracy... then I urge
Death to the system of democracy...
I salute individualism... and again death to capitalism
