## It should not used the martyr bodies for business

Martyr Mohammad Daoud was killed with his family in barbaric way, it is not forgivable, but we have to be honest and fair, that he was the one who flattered the communists, he carried out a coup with communists, he had 8 communists ministers in his cabinet, his militaries generals was communists, his long time close friends Mr, Hassan Sharq and Jalalar was spy of former UdSSR, in fact he was under control of them and he was with them.

Our great weakness is our unstable style, when he and his family was killed, lot of people reflected their satisfactory and I see, that the same people are praising his patriotism, his proud being and his close being to the nation and they announcing him as hero now.

I know, it is not usual to talk about die people in bad way, when they died, but he was politician and he acted as such, therefore it is very necessary to talk in truth way about his actions in the past.

He was the guy, that he started emotional the issue of Pashtunistan when he was minister of Defence, but after his RED coup he tried to get close relation to Pakistan and he forgot fully about his at that time emotional issue of Pashtunistan, in fact the issue of Pashtunistan was appeared in interesting of former UdSSR.

Through his such action started the ethnic conflicts more between Pashtonen and Tajiks and it is still going on.

I am not saying, that he could be not a patriot person, I am not saying, that he would not love his nation, No, what I condemn by him and what I criticize it, it is his politic, his actions and his around politician questionable friends.

He was grown in a politician family, he acted as governor in some provinces, he carried out high level responsibilities in military, finally he was Premierminister, if he had the intention to transfer the government to the nation, then he should not act in such a stupid and dangerous way, he would have appear through his coup his quality as patriot as experience guy and as intelligent personality, opposite his dirty action is cause for the disaster in Afghanistan since more than 30 years.

This patriot and national personality killed many innocent people and many innocent people were put into jails.

Martyr Maiwandwal was a national personality, patriot and intelligent, he was honest to the nation, when he was premierminister, he had the courage to announce that he is not

willing to act as pudel of former King Clan, he is just by name premierminister, therefore he created a political party under the name MUSAWAT.  
He put martyr Janat Khan Gharwal into jail and he was tutored and insulted like many other innocent people.

What Mr. Karzai wants with such action, it should be clear to every body. Mr. Karzai was never honest to the nation, he was honest to the killer, criminals and corrupted people and he is still keeping this way.

He wants to create through this action a new echo among the people and to reflect, that he is friend of patriots like martyr Mohammad Daoud, because his name is known over all the country, Mr. Karzai will cheat the illiterate people through such action for the voting, he is announcing regular now, he does not want any more, that his nation will be bombing blind, he does not want to be checked the villages in wild way, it is appearing question now, where was Mr. President Karzai during the time of Mr. warrior G. W. Bush, who got from Mr. Karzai Amanullah bravery medal, he offend with his such dirty action the personality of real patriot Amanullah.

Mr. Karzai wants to act and appear as father of nation but not for very long time he appeared as hand kisser, all those are trained by Mr. Khalilzad, he is shifting those people around and we are running behind them, it is really shameful.

Why he is not searching for the body of martyr Hashim Maiwandwal?

Why Mr. Karzai will not try to search the body of martyr Musa Shafiq?

Why he is not looking for the body of martyr Noorahmad Torialay and more other?

Because they were not so popular in country like martyr Mohammad Daoud, to search their bodies, it will not bring any benefit for him by the next artificial election.

Any way, his time is over, his BOSS Mr. Khalilzad is looking among his trained group for some one else. No in the world can be seen such dirty game like we see it in Afghanistan now.
