## Pakistan: NATO Warplanes Crossed Border, Attacked Military Post

Posted By [Jason Ditz](#)

June 17, 2011

Pakistan's government filed an official protest with the United States today following a [cross-border attack by NATO warplanes from Afghanistan against a military post in Mohmand Agency](#).

Pakistan said two jets had crossed the border into Pakistani airspace and that they had dropped six bombs on the military post, which lies just a mile and a half from the border with Afghanistan. No deaths were reported.

The Foreign Ministry [termed the attack a “serious concern” and called for the US to assist in a “joint inquiry”](#) of how the attack happened. NATO has yet to comment on the attack.

The attack comes just a day after Afghan militants [crossed the border against the nearby Bajaur Agency](#), attacking three villages. Though NATO had often complained about Pakistan’s lack of control over the tribal area, increasingly it is cross-border attacks from both NATO and the militants coming into Pakistan, not the other way around.
