## The International Campaign to close down Iranian Embassies

The world must know that the only way out of political Islam and its global aggression is to support the movement of people of Iran to overthrow the Islamic Republic and defend “freedom, equality, prosperity”, for the people of Iran. The People in Iran have spoken. They are demonstrating in the streets, and universities. People in Iran want to overthrow the entire Islamic Republic of Iran, for its terror, imprisonment, gender discriminations, denial of all social and personal freedom and mass execution. They want to get rid of this cruel government for imposing the most inhuman, brutal, misogynist and backward roles on people. Iranian people want universal human and civil rights to become the benchmark.

Never has it been so urgent to stand firm by the people of Iran and proclaim that:

- the Islamic Republic of Iran is directly responsible for terrorizing people globally with its daily crimes against humanity from Iran, Afghanistan and Pakistan to Algeria and Palestine, even in the heart of Europe and the North America; from imposing reactionary and anti-human Islamic laws on people, from beheading and mutilations, to planting bombs and mass murder in buses, café and discotheques;
- the Islamic Republic of Iran is directly responsible for sustaining terrorism as a main tool in further deepening the national, ethnic and religious splits in the Middle East and keeping alive this conflict as political capital and source for its power;
- that every one of the leaders of Islamic Republic of Iran, be it so-called reformists such Khatami, Rafsanjani, and Mosavi or hard liners such as Ahmadinezhad, Khamenei are directly responsible for assassinations and executions of over hundred thousand of Iranian activists both in Iran and abroad;
- that defeating the Islamic Republic in Iran is a prerequisite for demolishing political Islam as a movement, aspiring political power in the

**Middle East. Without the Islamic Republic of Iran, political Islam will become a trivial and insignificant opposition in the Middle East;**

**• that President Ahmadinejad along with other leaders of Islamic Regime of Iran has violated Articles 9, 10, 11 and 19 of the Universal Declaration of Human Rights;**

**and therefore demand:**

- To close down all Iranian embassies**
- To freeze all bank accounts of the leaders of Islamic Republic of Iran**
- To expel the Islamic Republic from all the International Agencies**
- To trial all the leaders of the Islamic Republic of Iran in an international court for their crimes against humanity, in particular in Iran**
