## **PRACTICE WHAT YOU PREACH**

On the day that the new Yougove and Channel Four opinion polls were released and the figure showed that , **84% think British troops are losing** the war while 62% Britons called for the immediate withdrawal of their soldiers from Afghanistan. 10,000 Anti War protesters took to the street of London and protested against the illegal occupation of Afghanistan.

The British Government forced President Hamid Karzai to go to a second round against a professional thief Abdullah Abdullah because of the fraud and corruption in the August Election Presidential elections. But today the 24/10/09 UK Channel Four and other opinion poll clearly suggest the anger and frustration of the British People on the War in Afghanistan and clearly want their troops to come home. If Britain practice Democracy it should listen to its people and must bring their troops home without any delay. So practice what you preach.

The Scottish Afghan Society Called for the immediate withdrawal of all Foreign Troops from Afghanistan.
