## NATO Service Members Killed in Afghanistan

11/27/2011

NATO says two of its service members have been killed in Afghanistan, one in combat operations in the east and the other by a roadside bomb in the south.

NATO statements issued on Sunday did not include any further details. The main brunt of the fighting between international forces and insurgents is taking place in the east and in the south.

The deaths bring NATO's total deaths to 24 this month and 514 for the year.
