Teaching a Lesson to the Palestinians

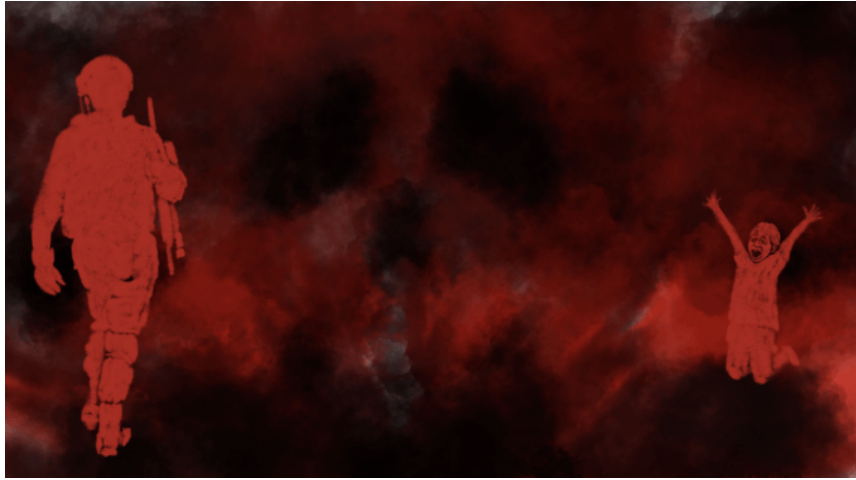

Illustration by Paola Bilancieri.

We will teach you,
human animals who
don't value human life
as we do,
never to do this again to us, to our families,
to our women and children,
as you did on October 7.
We will destroy your houses, your sewage systems,
your hospitals, your schools, your crops and herds.
We will ravage your land and poison your air.
We will stop food caravans essential for your survival.
We will starve you, your children and your grandchildren.

We will bury you and your children alive under
the rubble.

We will leave a panorama of destruction and
death rarely seen before.

We will teach you who will decide your
fate.
