همه سر به سر تن به کشتن دهیم      از آن به که کشور به دشمن دهیم

## Bombs Over Greenland

The bombs are falling  
Trump's taking Greenland  
By force of course  
It's a crime —  
Or maybe it's not  
Let's ask Alito, see if he thinks so  
Maybe he'll find  
It's necessary for the pipeline  
Pipe that melting ice

To the golf clubs of Nevada,  
Refill the Ogallala

And don't forget Oprah  
Who alone needs millions of gallons  
A month – Oh no  
They won't be painting  
Their front lawns green  
From now on  
If the question's: no green lawn?

The answer is: Greenland  
Anschluss? Aggression?  
What's the difference?  
Trump wants Greenland  
and Canada, too  
Both are products  
of imperial conquest  
So who are they to talk?

No, the only question's  
What does Jesus want?  
And Jesus wants flags  
Emblazoned with stars  
One can be a maple leaf  
To mollify the hockey freak  
Why not?  
Jesus says come on  
Give unto Caesar  
And follow the big cross  
The golden T  
That symbol of mass  
State-sanctioned murder  
And pray to Jesus  
He's really far out  
Or as they say in Latin: ex-treme

Know what I mean?  
Jesus says: colonize Greenland  
Send us all your debtors  
They'll welcome us as liberators  
Donald's no prevaricator  
Your homeless, your immigrants  
Yearning to breathe free  
Greenland can be

The greatest penal colony  
Jesus says  
Greenland is beautiful  
This time of year  
And reindeer I hear  
Goes great with beer  
Jesus says pig out  
Jesus says stand  
For the pledge  
Burn that book!

Uh oh, you didn't say Jesus says  
Jesus says:  
Shoot your dog  
In the ditch  
Jesus says:  
Shoot that kid  
The whole classroom  
Blow up all the schools  
Vaporize the hospitals

It's right there in the Bible  
Jesus Christ, Jesus sighed

Jesus don't mind genocide  
If commanded  
By my dad  
Kill all the Amorites  
Get rid of the meek  
And, tell me, who will be

The Amorites this week?  
Jesus says: yes! to nuclear weapons  
Jesus says no to peace  
Jesus says punishment is good  
Spank me

Turns the other cheek  
Love your neighbor  
Help the poor  
All that claptrap

Jesus never said that!  
Jesus said: get a job  
Give it to Caesar  
Get off your ass

Shit in the river  
Slice up those buns  
Grill them with onions  
And drink my blood  
What's the problem?  
You don't drink blood?  
It's not halal?

It's not kosher at all?  
You don't want to be a cannibal?  
Spill blood, drink blood

Let's honor tradition

Jesus says: let's go to Greenland

Let's drill, baby

Suck it dry

Jesus says: go pump my well

Serve the rich,

or go to hell

And boy oh boy

Will you enjoy

The real estate boom

Boom boom

The bombs are falling

on Panama, too

Of course it doesn't make sense

His are mysterious ways

You've got to have faith these days

Jesus says

Then you'll go to heaven

Up beyond the stars

First we'll colonize Greenland

Next, we'll colonize Mars
